May peace be upon you, Michael John Fuller,

I greet you in the name of Yahushuwah(Jesus), the anointed as his follower, minister Keidrych. I come to you privately: as a man; as a non-combatant; in peace; unaligned and unaffiliated with any OPCA argument. Speaking plainly as one private man to another not described as a person but in a position of trust.

This letter concerns your agreement with minister Jeremy-val to the facts:

- The International Covenant of Civil and Political Rights (ICCPR) is in-force and ratified in AUSTRALIA.
- Rights under the ICCPR are protected across Australia through a range of laws, policies and institutions at the federal and state and territory level.
- Service Providers within AUSTRALIA and New South Wales, including the New South Wales Police Force are obligated to comply with the ICCPR.

I am witness upon minister Jeremy-val's honour that he has sent you said agreement on Monday, 28th June 2021; that as of Tuesday 13th July 2021, the required time has passed for tacit agreement; and I have seen no material demonstrating you disputed the facts. I bear witness that the aforementioned facts have been agreed upon with no dispute to the facts.

I confirm that you now have sufficient knowledge and awareness of minister Jeremy-val's inherent freedom contained within your secular law. Such that this good man, minister Jeremy-val, may be saved harmless by yourself from reproach and discrimination; according to his faith. In alignment with the common intent of your tacit agreement.

Thank you for choosing to operate in an honourable and truthful capacity!
